## Falliand Winter Wedd dings

Personally Created by Chef/ Ouner Terence Rogers
"My fiancé and I tried to plan our wedding 3 different times during Covid with no luck. Then, finally found TBD and Sullivan's Scrap Kitchen. Upon introduction to Terence and Holly, we immediately knew they would be able to pull off a spectacular event. They were professional, organized, DELICIOUS, and most importantly, made having the best time on our special day their top priority. I couldn't recommend a caterer or company more highly. The entire night from passed appetizers, cocktails, full bar service, 5 seated food courses with wine pairing couldn't have gone any smoother. Thank you for the most gourmet, relaxing, and special wedding night from us and all our guests! TBD, Sullivan's Scrap Kitchen, Holly and Terence will 100\% be the choice for all our and our guests' future events!" - Katherine G.
"From the very start, they were wonderful to work with! Holly helped me coordinate the menu and details for the evening ahead of time. She was always very prompt and communicative. On the day of the event, Terence was incredible! He arrived right on time, brought everything he needed and truly created such a memorable and special evening for my family. We will definitely use TBD Foods for future special occasions! Thank you Terrance and Holly for such a great experience!" - Ellen W.
"Everyone was raving about the food. It all tasted so good and was so easy to eat. The Lamb Meatballs were the bomb. Some of the guys would literally stand near the kitchen to be the first to grab the next batch. I would recommend them to anyone looking for a caterer. They will be our go-to group from now on. Thanks so much TBD. Looking forward to our next party." - Tanya J.

## About TBD Foods

TBD Foods is a small family-owned and majority women-owned catering company with a focus on creating a unique and delicious dining experience, while reducing food waste. We collaborate with community resources (like our farmers and ranchers) to decrease food waste and increase our communities' access to sustainable and savory nose-to-tail and root-to-tip cuisine. Working with our clients, we look to create a truly personalized menu to fit our guests' taste.

# Chef Terence Regers 

Terence Rogers is the Executive Chef and Owner of TBD Foods and has over 12 years of experience in everything from food truck kitchens to fine dining restaurants. Chef Terence is dedicated to using local farm-to-table ingredients and sustainable root-to-tip cooking practices to ensure you have a delicious and memorable meal. His team takes great pride in their communication and high quality customer service, ensuring you spend time relaxing with your friends and family.

Terence and his wife, Holly, opened Sullivan Scrap Kitchen in 2020 as way to reduce food waste and promote sustainability in Denver. The pristine cuts of meats and vegetables are used in their fine-dining catering through TBD Foods and the "scraps" or less perfect pieces are used at their restaurant.

This is just a conversation starter. Menus can be designed to fit your taste and budget.

We ask that whole parties choose the same menu options due to the limited space in most kitchens.
We can certainly accommodate any allergies/ dietary restrictions at no extra cost.

We usually prepare your meal on-site in your kitchen, so you get to see the magic happen.
We are happy to adapt if there's no kitchen on site. Just let us know!

$\square$ Family style is intimate and informal and does require a lot of table space.
$\square$ Buffet is more informal and allows for the most amount of guest and chef flexibility.
Would you like hor d'oeuvres to be stationary or passed?
$\square$ Passed require more staff members to help the flow of food.How many guests will be attending?Will you need a bartender?
